AI4Games 2020
Exercise 3
CodinGame Fall Challenge 2020

8 points
Deadline: 26.11

In this task we take a part in the CodinGame Fall Challenge 2020[1] that will take place from 12.11 4 P.M. to 23.11 10 A.M.

During this time, I encourage you to participate in our Polish CodinGame Community Slack[2] discussions. Also, feel free to talk via the course Discord server, where I will be posting some (I hope useful) info as well.

Mandatory requirements

In the report please provide your CodinGame username and final rating (after the end of the contest): league and place.
The requirement to get any points for this task is that you have to set your school (from the contest main page or your CG profile) to `University of Wrocław`.

Report [4p.]

Write a report describing your bot. Discuss your final approach and the intermediate steps with insights about what worked/not and possibly why. Please provide charts / statistics if available.

Postmortem [1p.]

Make your report or its part available to others in a post-mortem forum thread on CodinGame[3] (provide the post link in your report).

Reach Bronze League [1p.]

Reach Silver League [1p.]

Reach Gold League [1p.]

Reach Legendary League [+1p.]

Reach top 200[4] players [+1p.]

Reach top 100 players [+1p.]

Reach top 50 players [+1p.]

Be in top 5 UWr representation [+1p.]
